

POWERHOUSE 50™

FAST-ACTING CONCRETE & RUST REMOVER

POWERHOUSE 50 concrete and rust remover is a breakthrough in blended concrete removal technologies. Strong enough to dissolve dried, hard concrete without excessive smoke, Powerhouse 50 is safe on materials such as iron, steel, plastic, rubber and vinyl. It is also effective for the removal of 'bleeding rust' from vehicles and painted equipment.

- Fast acting
- Concentrated
- Safe on vehicle paint
- Safe on wiring
- Contains no hydrofluoric or sulfuric acids
- Economical – dilutes with up to 3 parts water for cost-effective cleaning

**USE IN
WELL-VENTILATED
AREAS**

INDUSTRIES

Concrete
Construction
Mining
Municipalities

USES

Removal of unwanted concrete residue
Cleaning of forms, pavers and portable mixers
Removing dried concrete from ready mix trucks
Removing scale and efflorescence from porches, retaining walls and bricks
Removing excess mortar, grout and scale build-up

See the product label and Safety Data Sheet for additional information.
